## VA clinics host open houses

NEW ORLEANS – The Southeast Louisiana Veterans Health Care System will hold three open house events from noon to 2 p.m. June 29 through July 1 at the Baton Rouge, New Orleans and Slidell community based outpatient clinics, respectively.

These events are part of the Department of Veterans Affairs' Summer of Service initiative, which is designed to build awareness about voluntary service in VA medical centers nationwide, increase our pool of potential volunteers and showcase the services we provide Veterans.

"These open houses will give Veterans, their families and others an opportunity to learn about our health care system and the services we offer to Veterans," said Fernando O. Rivera, SLVHCS medical center director."

Join us to tour the facilities and also learn about employment opportunities at SLVHCS.
